[LinkedIn](#)

My name is Lucas, a passionate Product Designer with 6 years of experience. My goal is to design intuitive and aesthetically pleasing interfaces while creating memorable experiences. I am looking for an inspiring company where I would be proud to contribute with my expertise.

Professional Exp.

05/2022 - 07/2024

Edenred Belgium
Brussels

Lead UX/UI

Monitoring and redesign of the MyEdenred app, creation of the design system for Edenred Belgium, complete redesign of the website edenred.be, conducting A/B tests to optimize user experience, maintenance and continuous improvement of the existing web infrastructure, as well as design and integration of emails.

02/2020 - 02/2022

Edenred Belgium
Brussels

UX/UI Designer

Creation, maintenance, and optimization (UX/UI) of the existing web infrastructure, design and integration of emails.

03/2018 - 05/2019

Infor Jeunes Lux.
Arlon

Web Designer

Development of two websites using the WordPress CMS: defining user requirements through a UX study (available upon request), designing wireframes and interfaces, prototyping, creating custom WordPress themes, integration, launching, and maintaining the websites.

11/2017 - 01/2018

MyCartable
Liège

UX/UI Designer

Development of an application dedicated to education in collaboration with my former web professor. Responsible for the user experience, visual impact of the web app, as well as front-end integration.
